Foodbuy's Supplier Accelerator Program

Launched in 2021, the Accelerator Program is designed to empower the growth of responsible, innovative, and emerging suppliers through an intentional 8-month curriculum centered on mentorship, industry education, and collaborative partnership opportunities. The program provides participants with insights and learning experiences that help deepen their understanding of Foodbuy, Compass Group, and the broader supply chain landscape.

To date, 49 suppliers have participated, and we look forward to welcoming future cohorts as we continue investing in education, development, and the future of responsible, emerging, and innovative supply chain partners.

Tucson Tamale

Tucson Tamale is an, Arizona-based brand known for its handcrafted, authentic tamales made with high-quality ingredients and bold Southwestern flavors. Rooted in traditional recipes while embracing modern convenience, the company offers a wide range of tamales that celebrate culture, craftsmanship, and accessibility for today's consumers.
